## **L9GA Tournaments**

### **Member-Guest – March 20-21 at Oakridge**

L9GA members are eligible to participate in this event along with their Landings or non Landings guests. Landings guests need to be golf members and have an established handicap. Each non-Landings guest will need a handicap/index from her club's pro. This information is to be submitted to The Landings Club Tournament Coordinator by the sign-up deadline. Information regarding the tournament may be found on the L9GA bulletin boards as well as at [L9GA.org](http://L9GA.org).

### **Member-Member - May 8-9 at Oakridge**

This tournament is open to all L9GA members. Select a fellow L9GA member and sign up together for this fun event. The Landings Club Tournament Coordinator will adjust paired handicaps if there is more than a seven point spread between the handicaps of the two players. Flyers detailing information about the tournament may be found on all L9GA bulletin boards as well as at [L9GA.org](http://L9GA.org).

### **Charity Tournament - October 31 at Plantation/Palmetto**

Once again, the L9GA's charity of choice for 2019 is the Kids' Café, an afterschool meal program for school-age children who are at-risk for hunger. Open to all Landings Golf members (including men) and their guests. Flyers detailing information about the tournament may be found on all L9GA bulletin boards as well as at [L9GA.org](http://L9GA.org).

### **L9GA Championship Classic – November 14 at Oakridge**

This FLIGHTED tournament is open to all L9GA members who have played a minimum of six Play Days from January to the Thursday prior to the tournament start (Summer Play Days do not count towards this total). Trophies are given to the overall low gross and net winner, and prizes are given to the top three net finishers in each flight who play the course tees. If you play the Skidaway tees you are eligible for prizes for the top three finishers but not for the Trophies for low gross and low net winner. This is a fun tournament meant for all L9GA members. Look for more information in the L9GA e-blast as well as on the [L9GA.org](http://L9GA.org) website.

## **L9GA Play Formats**

### **General Rules for all Play Formats**

- All L9GA play begins at 9:30 from the Course named tees unless otherwise specified. In January and February play will begin at 10 a.m. for “A” Teams and 10:10 a.m. for “B” Teams.
- All scores are postable except Scrambles & Men’s Rules.
- All players must putt out their ball unless otherwise specified.
- All players must pick up their ball if they have reached their maximum stroke handicap unless otherwise specified by the phrase ‘must hole out’.

**Colored Ball Game** - This is a 4-person team event, and the team is given a colored ball which rotates among the players. Holes are played as follows: Player A plays the colored ball on holes 1 and 5 (or 10 and 14); Player B plays the colored ball on holes 2 and 6 (or 11 and 15); Player C plays the colored ball on holes 3 and 7 (or 12 and 16); and Player D plays the colored ball on holes 4 and 8 (or 13 and 17). On hole number 9 (or 18), the team may choose who will play the colored ball. If you are assigned a three person team you must add a **Harvey** (see page 16 for explanation). When a player is not playing the colored ball, she plays her own ball on the hole. Adding the strokes taken only from the colored ball derives the team score. Colored ball player must hole out. The colored ball must be returned; otherwise the team has no score for the event.

**Low Net Minus Worst Hole** - This is an individual event and the player with the lowest score wins. Adding up her gross score for 9 holes, then subtracting the gross score for her worst hole, and then subtracting her handicap for 9 holes determines the player's score for the game.

**Lowest Net** - This is an individual event. Taking her total gross score for nine holes, and then subtracting her handicap for nine holes, derives a player's net score. Players' handicaps will be written on the scorecard. For example, a player with a gross score of 56 and a handicap of 20 for 9-holes, would have a net score of 36. The winner is the player with the lowest net score for nine holes.

**Men's Rules** - This is a relaxed, end of season event with all players playing their own ball and with the option of embracing, so called, "Men's Rules". Mulligans, improved lies, "gimmie" putts, etc. are the order of the day. Players will get a pairings e-mail as a reminder that they have signed up to play, yet the actual pairings and hole assignments are done at the putting green prior to play, so there is no need for captains to prearrange carts. At 9:15, players will meet at the putting green and each player will toss her marked ball into one of two piles ("cart" or "no cart"), and foursomes/hole assignments will be determined by random ball selection. There are no points for place finishes. Play during Men's Rules is not eligible for L9GA awards (e.g.: "I Broke" or "Hole-in-One").

**Net Better Ball of Partners** - This is the two-person team version of Team Best Ball. Each partner plays her own ball throughout the round. There will be “dots” on the score card to show you where and how many handicap stroke(s) to deduct from your gross score to determine your net score for each hole. On each hole, the lower net score of the two partners – or the “better ball” – will be the team’s score for the hole. It is not necessary for both partners to complete play of each hole, so long as one person has holed out and has a score to count for the hole.

**Par-3s and Par-5s Only** - This is an individual event. A player’s score is derived by adding the gross scores made on only the par-3 and the par-5 holes. Her scores on the par-4 holes are disregarded, except for posting purposes. Players must hole out on all par 3s and 5s.

**Par-4s Only** - This is an individual event. Adding the gross scores made on only the par-4 holes derives a player’s score. Her scores on the par-3 and the par-5 holes are disregarded, except for posting purposes. Players must hole out on all par 4s.

**Putts Only** - This is an individual event. Counting only the strokes made from the putting greens derives a player’s score. A ball is deemed to be on the putting green when any part of the ball is resting on the putting green. Note: If a player chips or pitches her ball into the hole from off the putting green, her score for that hole is “0.” Players must hole out on each hole.

**Scramble** - This is a 3- or 4-person team event and each player tees off on every hole. The best of the tee shots is selected and all players play their second shots from that spot. The better of the second shots is determined, and then all play their third shots from that spot, and so on, until the ball is holed. Except on the putting green, lies may be improved within two club-lengths of, and no nearer the hole than the position of the selected ball (2” when on the putting green).

If the selected ball is playable in a water hazard, or is in a bunker, rough or fringe of the green, everyone must play a ball within two club-lengths of the position of the selected ball no nearer the hole and must remain in the water hazard, bunker, rough or fringe of the green. Once a ball is holed, no further strokes may be taken. Each player must contribute at least one drive during the round. The team’s score is the total gross score for nine holes, less the team handicap written on the scorecard. If 3-person teams are playing against 4-person teams, someone on the 3-person teams will play an extra shot, i.e., the team’s fourth, at each location (see “**Harvey**” under Special Circumstances below). Team members will rotate playing the extra shot as follows: Player A plays the extra shots on Holes 1, 4 and 7 (10, 13, 16); Player B plays the extra shots on Holes 2, 5 and 8 (11, 14, and 17); and Player C plays the extra shots on Holes 3, 6 and 9 (12, 15, and 18).

**Team Best Ball** - This is a team event that can be played by 3- or 4-person teams. Each player on the team plays her own golf ball throughout the round. There will be “dots” on the score card to show players where and how many handicap stroke(s) she will deduct from her gross

score to determine her net score for each hole. On each hole, the lower net score - or “best ball” - of the group serves as the team score. For example: if Player A scores a net 5, Player B scores a net 4, and Player C scores a net 6 on a hole, then the team score for that hole is 4, because the low net score of the group was Player B’s 4. It is not necessary for all players to complete the play of each hole, so long as the team member whose score is to be counted has holed out. If 3-person teams are playing against 4-person teams, a “blind draw” will be assigned to the 3-person teams (see “Blind Draw” under Special Circumstances below).

**Two Better Balls** - This is a team event that can be played by 3- or 4-person teams. Each player on the team plays her own golf ball throughout the round. There will be “dots” on the score card to show players where and how many handicap stroke(s) she will deduct from her gross score to determine her net score for each hole. On each hole, the two lowest net scores - or “best balls” - of the group serve as the team score. For example: if Player A scores a net 5, Player B scores a net 4, and Player C scores a net 6 on a hole, then the team score for that hole is 9, because the low net scores of the group were from Players A and B. It is not necessary for all players to complete the play of each hole, so long as the two team members whose scores are to be counted have holed out. If 3-person teams are playing against 4-person teams, a “blind draw” will be assigned to the 3-person teams (see “Blind Draw” under Special Circumstances).

## **Special Circumstances**

**Blind Draw** - Whenever there is a group of three (3) players when the format for the day involves 4-person teams, and everyone is playing her own ball, the group of three players will be assigned a player selected at random (a “blind draw”) from one of the 4-person teams. The scores of the “blind draw” player will be transposed onto the scorecard for the group of three players so that all groups have the benefit of four players.

**Harvey** - A Harvey is used in the Scramble format and the Colored Ball format. If any of the teams playing either of these formats has only three (3) players, each player, on a rotational basis, will play a second ball (a “**Harvey**”) on each hole. This assures that four (4) balls are played. In a Scramble, if Harvey’s ball turns out to be the best shot, select it and proceed from there. (See definitions of Colored Ball and Scramble.)

## **Play Day Sign-Up and Cancellation Procedures**

The deadline for sign-up for regular Play Days and Meet-n-Eat Play Days is **7 a.m. on the Friday prior to play**. There are several ways to sign-up for weekly Play Days: on line, which is the preferred method; by using the sign-up sheets at Oakridge; or by calling/emailing The Landings Club Tournament Coordinator, Ellen Jacobs (tournaments@landingsclub.com or 598-3547).

To sign-up via the Internet at [www.landingsclub.com](http://www.landingsclub.com), log in with your user name/member # and password. Click on “Golf”, then “Scores, Handicaps & LWGA/L9GA Sign Up”. Hover on the “Events” tab. Click on “Club Sign Up and Results” on the left. Then scroll down to find the play date you wish to sign up for. L9GA play dates are denoted as L9GA #. Some dates have multiple listings which allow you to play from the Course or Skidaway tees. Click on the appropriate listing and then click “**Submit**” to finalize your selection. You will then see a notice on the same page stating you are now signed up for that particular event.

**Remember to Log-Out.**

By Monday evening, you will have received an email from our scheduling system indicating the date of play, the designated course, the tee time, your starting hole and your playing partners. The first name of the foursome is the captain. See Responsibilities – Captain on Page 22. Foursome members should be contacted no later than Tuesday evening. If you are the designated captain and need to cancel, contact the next player listed in your group and ask her to assume the captain’s role and then contact the Pairings Coordinator for that date.

Those wanting to play after the sign-up deadline should contact the Pairings Coordinator for the month. Names and numbers for the Coordinators may be found in this handbook or on our website ([L9GA.org](http://L9GA.org)). Should you need to cancel prior to **Friday at 7 a.m.**, contact The Landings Club Tournament Coordinator (598-3547). After this time, the pairings are created and cancellations will need to be made via the Pairings Coordinator.

Finally, should you need to cancel on the day of play, call your group captain (the person whose name is listed first on the scheduling e-mail) and the Pro Shop where you are scheduled to play. If you are the captain, please ask somebody from the Pro Shop to inform the Pairings Coordinator at check-in. If play is cancelled, notice will be given on the rain line (598-3450) and via an e-blast.

### **Scorecards and Score Posting**

While playing with L9GA, players must have their scorecards completed and turned in to the scorers by 12:00 (those teeing off in a “B” position, i.e. at 9:40, have until 12:10). **In January and February when play starts at 10 a.m. and 10:10 a.m. scorecards must be turned in by 12:30 p.m. for both team “A” and team “B” players as there is a shotgun immediately following L9GA play.** Thursday scores must be posted by 4 PM the Friday following play in order to be eligible for earning points. Players are encouraged to post their scores in the Pro Shop immediately following play. Alternatively, they may be posted at [www.landingsclub.com](http://www.landingsclub.com). To do so, log in with your user name/member # and password, and then click on “Golf”. Click on “Scores, Handicaps & LWGA/L9GA Sign Up”. Once on the next page, hover over “Score Center” and click on “Enter Score”. **Remember to check the “Play Date”, “Course”, “Holes – 18 or 9” and the “Tee” played from. Then enter your “Adjusted Gross Score” and click on “Post Score”. Remember to Log-Out.**

## **Award Points Policy**

**Value:** One point equals \$1.00

**Award Points:** Award Points are given on non-tournament days for players during the regularly scheduled Play Days as per the chart below. In the event of a tie, a match off using USGA rules will determine the winner.

In order to be awarded Award Points, players must accurately record their score via the Landings web site no later than **4:00 PM on the Friday** after play.

Individual Winners	1st	3	Points
	2nd	2	Points
	3rd	1	Point
Team Winners	1st	2	Points
	2nd	1	Point

## **Awards**

**Hole-In-One:** A \$30.00 cash award is given to any L9GA member who scores a hole-in-one during a regular L9GA Play Day. This award is not given during Summer Play Days or during Tournaments. The player must play the entire nine holes, report her score to the Pro Shop, and sign the “Hole-In-One” sheet on the L9GA bulletin board at the clubhouse where she achieved the hole-in-one. Players playing from the Skidaway or Combo tees **are** eligible for this award. Remember to have someone who played with you **attest** to your Hole-In One.

**I Broke 50/45:** Year-end recognition will be given to any L9GA member whose first time gross score is less than 50 or 45 during a regular L9GA Play Day. This award is not given during Summer Play Days or during Tournaments. The member must play the entire nine holes and sign the “I Broke 45/50” sheet on the L9GA bulletin board in the clubhouse where the score was achieved. Players playing from the Course, Skidaway or Combo tees **are** eligible for this award. Remember to have someone who played with you **attest** to your score.

**Most Improved Golfer:** A member must have played in a minimum of nine L9GA Play Days during the months from January - May and September - December 1 in order to be eligible for this award. The Landings Club Tournament Coordinator will make all calculations, and the player with the largest percentage of improvement in her index is the winner.

## General Information

**Equitable Stroke Control:** Each player has a maximum number of allotted strokes for any given hole. To determine this maximum score, a player uses her established handicap coupled with the Equitable Stroke Control (ESC) guidelines (See chart.) When a player reaches her maximum number of strokes, she must pick up her ball and record her maximum score for that hole. Exceptions may be made by The Landings Club Tournament Coordinator and/or game rules.

18- hole Handicap	Maximum Strokes on Any Hole
0 - 9	Double Bogey
10-19	7
20-29	8
30-39	9
40 or more	10

**Handicap:** Each player is responsible for maintaining her established handicap by posting her allowed score each time she plays. Players must maintain an 18-hole handicap.

**Meet-n-Eats:** The L9GA hosts Meet-n-Eats throughout the year after regular Play Days. Those that have signed up to play golf on that day are automatically registered for the luncheon. Those not playing, yet wishing to attend the luncheon, may contact the Meet-n-Eat Coordinator no later than the Monday before the event. In order to receive a refund, cancellations must be made directly to the Meet-n-Eat Coordinator by noon on Monday prior to the event.

**Membership and Dues:** Membership in the L9GA requires a handicap of 60 or below for 18 holes. Annual dues are \$44 per calendar year, January - December. Annual dues will be charged to the member's Landings Club account and billed on the December statement each year. Members joining after January 1 will pay their dues (by personal check) directly to the Membership Coordinator. Once regular play is concluded in May, dues are reduced to \$22 thru the year end.

**Name Tags:** Members are encouraged to wear nametags during check-in, warm up, and social events. Tags may be ordered from the board Secretary.

**Resignation:** Any member who intends to resign her membership from the L9GA must make direct contact with the Membership Coordinator by December 15.

**Responsibilities - Captains:** The captain is the first person listed on the tee-time pairings email notification sent from Chelsea Reservations. No later than Tuesday, the captain will contact each team member to arrange for carts. It is also helpful to remind players of the course and the starting hole. The morning of play, the captain picks up the scorecard and ensures that all players are present. The captain, or her designee, keeps score and is responsible for verifying the score with all team members and ensuring the scorecard is filled out properly. The captain is also responsible for the team's pace of play. If you are the designated captain and need to cancel, contact the next player listed in your group and ask her to assume the captain's role.

**Responsibilities - Players:** If players have not heard from their captain by Wednesday, contact her and/or the other team members to arrange for carts.

Should a player be unable to play, she should contact the Pairings Coordinator and her captain.

Be aware of your handicap for the course being played and determine your maximum number of strokes allowed per the Equitable Stroke Control (ESC).

Each player should enter her postable score no later than 4 PM the Friday after play.

**Scorecards:** All scorecards must be signed, attested and dated, and turned in to the scorers immediately after play. Please note and follow the scorecard directions as indicated at the check-in table and on the back of the card.

**Scoring Guidelines:** All strokes are counted (no “mulligans” or “breakfast balls”). Players are required to sink all putts unless they have reached their maximum number of strokes per ESC. Certain games may require “holing out” and players should check the game directions on the back of the score card and/or with the Pairings Coordinator at check-in for clarification.

In tournament play, there is no maximum number of strokes per hole, as players must count all strokes unless otherwise directed by The Landings Club Tournament Coordinator.

If unsuccessful after two attempts to cross a water hazard (yellow stakes), a player should drop a ball on the other side and count a stroke and penalty for each ball hit into the hazard. Then add one penalty stroke for taking the ball to the other side. She is now hitting 6.

If a conflict in the stroke count occurs within a group, players should attempt to resolve the situation on the course amongst themselves. If an agreement cannot be reached, contact the Pro Shop for assistance. Scorecards should be signed only when there is agreement between all players.

**Starting Time:** All L9GA play begins at 9:30 a.m. except in January and February when play begins at 10 a.m. Check-in begins at 8:30 and in Jan – Feb check-in begins at 9 a.m.
