

## **Par 3 Course Trial**

Looking for a fun and fast golf experience?

How about enjoying a quick nine with friends before enjoying dinner at the Club? Perhaps

enjoyable family time with the kids on the course or a great way to help sharpen your iron shots. These are all great ways to enjoy a Par 3 course. For the next six weeks, the Club will be trialing a Par 3 course on the front nine of one of our courses on Wednesday, Saturday and Sunday afternoons starting at 1pm. The selected course will have two sets of tees on each hole, so members can choose to play a short or slightly longer set of tees. Members will be able to reserve specific tee times in the afternoon by stopping in or calling the host golf shop beginning three days in advance of play.

In the past, there has been great participation in the Master's Par 3 and Summer Par 3 tournaments. The goal with the trial is to gauge member interest in this type of golf experience on a more routine basis to see how this might integrate into future golf programming. Come out and give it a try, and then give the Club your feedback!

### **Course Schedule**
