REVIEW OF 2020 WOMENS NINE HOLE CHAMPIONSHIP

In 2021, the event will consist of two nine-hole rounds on two consecutive days, held on the same days as the women's 18-hole tournament. It will be open to all women club members, in order to name a champion for the entire Landings Club. Separate awards for L9GA members will be considered, versus a separate event just for an L9 championship.

POTENTIAL PROJECTS FOR THE YEAR:

- 1) Free lunch following play on April 8th, a "no-game" day. Advantages would be that women who prefer no-game may attend as well, plus the event would likely attract those who have been inactive. A salad bar luncheon with indoor and outdoor seating, such as the one held at Deer Creek in December, was discussed. We would try to keep the price at around \$15.00 per person. A minimum of 35 people would be needed.
- 2) A recognizable contribution to the golf course, possibly with a plaque or at least publicity attributing it to L9. Donna will discuss the possibilities with Scott Justman?
