

L9GA Member Meeting and Luncheon December 9, 2021

Donna Bunn opened the meeting by welcoming all attendees. With the assistance of Heidi Lieberman the names of all 31 new members in 2021 were read and those in attendance were acknowledged. In celebration of TYATL9 (This Year At The Landings L9GA) recognition for Breaking 50/45 was given to Kay Hering, Marge Young, Judy Hinrichs, Donna Bunn, Chris Savage, Susan Gardberg, Heidi Lieberman, Marianne Gardner, and Nancy Benner. A special award was given to Carol Larsson as Most Improved Player of the Year.

During lunch Brian Stefan and Lacy Skwarek announced the winners in our modified Ryder Cup as the Top Flite team, beating the Titelists. Tiny trophies were awarded.

2021 Board members were thanked and Elsa Lindenschmidt spoke about the Kids Cafe tournament. We are in need of a chairperson(s) for 2022 to continue our tradition of supporting the program.

The guest speaker was Ben Robbins from First Tee Savannah. His presentation explained how the program works, teaching golf to underserved kids with an emphasis on 9 Core Values. In the spring the LPGA Girls Golf program will begin, supported by L9GA's \$5000 donation.
