L9GA Thursday Play Days

Play Days are Thursdays during the months of January-May and September-December.

Summer play days are those days of play during the months of June-August.

Information regarding the specific game and course location can be found under the Landings Club Golf tab. Click on L9GA Events to view location, game and to register.

All L9GA play begins at 9:00 unless otherwise specified. Check-in is a half-hour before start time.

Awards

Hole-In-One: A \$30.00 cash award is given to any L9GA member who scores a hole-in-one during a regular L9GA Play Day. This award is not given during Summer Play Days or during Tournaments. The player must play the entire nine holes, report her score to the Pro Shop, and inform the Game Coordinator. Remember to have someone who played with you attest your Hole-In One.

I Broke 50/45: Year-end recognition will be given to any L9GA member whose **first time gross score** is less than 50 or 45 during a regular L9GA Play Day. General Information

Please visit L9GA.org for the latest information regarding games, the schedule of events and membership information.

Handicap: Each player is responsible for maintaining her established handicap by posting her allowed score each time she plays. Players must maintain an 18-hole handicap.

Meet-n-Eats: The L9GA hosts Meet-n-Eats throughout the year after regular Play Days. Those that have signed up to play golf on that day are automatically registered for the luncheon. Those not playing, yet wishing to attend the luncheon, may contact the Meet-n-Eat Coordinator no later than the Monday before the event. In order to receive a refund, cancellations must be made directly to the Meet-n-Eat Coordinator by noon on Monday prior to the event.

Membership and Dues: Membership in the L9GA requires a handicap of 54 or below (per USGA) for 18 holes. Annual dues are \$44 per calendar year, January - December. Annual dues will be charged to the member's Landings Club account and billed on the December statement each year. Members joining after January 1 will pay their dues (by personal check) directly to the Membership Coordinator. Once regular play is concluded in May, dues are reduced to \$22 through the year end.

Name Tags: Members are encouraged to wear nametags during check-in, warm up, and social events. Tags may be ordered from the board Secretary.

Pace of Play: As members, we are expected to complete 9 holes of golf in 2 hours. Our goal is to enhance the playing experience by doing the following:

- Play "ready" golf
- Keep up with the group in front of you, not behind you
- Plan your shot while walking to your ball or while others are playing
- "Hit then sit" when sharing a golf cart (put clubs away when you get to the other player's ball or to the next tee)
- Record the score on the way to the next hole
- Park the cart and search for your ball on foot
- Play your ball, then help others search
- Fill divots/fix ball marks when waiting to play
- Know the *USGA Rules of Golf* and our Local Rules

Resignation: Any member who intends to resign her membership from the L9GA must make direct contact with the Membership Coordinator by December 15.

Responsibilities - Captains:

The captain is the first person listed on the tee-time email notification sent from Chelsea Reservations. The captain must contact the team members to

communicate cart and/or walking information. The captain is also responsible for the team's pace of play. If you are the designated captain and need to cancel, contact the next player listed in your group and ask her to assume the captain's role. If you are new to the role of captain and would like assistance, please contact the second person on your team.

On the morning of play, the captain picks up the scorecard and ensures that all players are present. The captain, or her designee, keeps score using Golf Genius and is responsible for verifying the score using the paper scorecard. All team members should agree on the scores submitted using Golf Genius.

Responsibilities - Players:

Before play, each golfer should look up her handicap for the course and tee being played. This determines her maximum number of strokes (dots) allowed per hole. Login to GHIN and click on Handicap Calculator. On the day of play, should a player be unable to play, she should contact the Golf Shop and the members of the group.

Each player is responsible for entering her postable score in GHIN on the day of play.

Scoring Guidelines: All strokes are counted (no "mulligans" or "breakfast balls"). Players are required to sink all putts unless they have reached their Net Double Bogey score. Certain games may require "holing out" and players should check the game directions on the back of the score card.

In tournament play, players must count all strokes unless otherwise directed by The Landings Club Tournament Coordinator.

If unsuccessful after two attempts to cross a water hazard (yellow stakes), a player should drop a ball on the other side and count a stroke and penalty for each ball hit into the hazard. Then add one penalty stroke for taking the ball to the other side. *She is now hitting 6. This is an LPGA rule.*

If a conflict in the stroke count occurs within a group, players should attempt to resolve the situation on the course amongst themselves. If an agreement cannot be reached, contact the Pro Shop for assistance.

World Handicap System: Maximum score per hole or Net Double Bogey

Net Double Bogey = Par + 2 + the Handicap strokes received on a given hole

For ease, this chart can be used as a quick reference:

Par 3 Hole

1 handicap stroke or "dot" = 6 maximum strokes

2 handicap strokes or "dot" = 7 maximum strokes

3 handicap strokes or "dot" = 8 maximum strokes

Par 4 Hole

- 1 handicap stroke or "dot" = 7 maximum strokes
- 2 handicap strokes or "dot" = 8 maximum strokes
- 3 handicap strokes or "dot" = 9 maximum strokes

Par 5 Hole

- 1 handicap stroke or "dot" = 8 maximum strokes
- 2 handicap strokes or "dot" = 9 maximum strokes
- 3 handicap strokes or "dot" = 10 maximum strokes

Special Circumstances

Blind Draw - Whenever there is a group of three (3) players when the format for the day involves 4-person teams, and everyone is playing her own ball, the group of three players will be assigned a player selected at random (a "blind draw") from one of the 4-person teams. The scores of the "blind draw" player will be transposed onto the scorecard for the group of three players so that all groups have the benefit of four players.

3 Person Teams - If any of the teams playing Scramble format has only three (3) players, each player, on a rotational basis, will play a second ball on each hole. This assures that four (4) balls are played. In a Scramble, if the additional ball turns out to be the best shot, select it and proceed from there.

Player A plays an extra shot on Holes 1, 4 & 7 (10, 13 & 16)

Player B plays an extra shot on Holes 2, 5 & 8 (11, 14 & 17)

Player C plays an extra shot on Holes 3, 6 & 9 (12, 15 & 18)
