

FORMAT: Team Putts Only - This is a team event that can be played by 3- or 4-person teams. Each player on the team plays her own golf ball throughout the round. If there are 3 players, the group rotates playing a 4th ball. Only the strokes after the ball comes to a rest with any part touching the green counts. On each hole, the lowest putt score of the group serves as the team score. For example: if Player A and D each scores a 2, Player B scores a 3, and Player C scores a 1 putt on a hole, then the team score for that hole is 1, because the low score of the group was Player C's 1. It is not necessary for all players to complete the play of a hole if one member has chipped in from completely off the green, scoring a 0. This game does not use Golf Genius.
