First Tee

Mimi Krupp giving the report, thanked us all for the support L9 ladies had given her.

She and Fran Kambour collected 11,460 balls with all our help along with clubs, bags, shoes, etc. She introduced John Parker, coordinator for First Tee of Savannah. They have 13,000 young adults participating in the Savannah area. Several have been to the Landings to play and learn golf rules etiquette and the right way to play the game as well as life. A great organization.

Kids Cafe

Marilee Dalbey encouraged everyone to sign up for our yearly tournament in October. All proceeds, entry as well as mulligans, go directly to Kids Cafe.

Our Wine Party has been moved to Monday October 23,2023. It will be hosted in the lobby of Merrill Lynch in the Village. Entertainment will be presented by our own M. J. Walden. If you have items for gift boxes to be auctioned off, please get it to Marilee. Also bottles of wine and appetizer trays would be most welcome. Time is 5:30 to 7:00pm.

L9 is now on Facebook, please check it out. Address is: Landings_L9GA.
